SECRETFOREIGN BROADCAST INFORMATION SERVICEOf Special Interest This Week

25X1 + On behalf of Secretary Shultz, INR requested an update of worldwide official reaction to the hijacking of TWA Flight 847. The update, focused on official condemnation or praise for the terrorists' actions, was sent to State on 6 July. [REDACTED]

25X1 + On 4 July, FBIS provided the first reports to the Intelligence Community on an attempted coup in Guinea. The material came from the FBIS bureau in Abidjan. [REDACTED]

25X1 + FBIS has reached an agreement with NSA and the Federal Research Division (FRD) of the Library of Congress under which materials translated by those organizations can be reprinted in JPRS serial reports, making them available to a wider audience. Much of the FRD material is produced under contract to the Naval Intelligence Support Center, and will be particularly valuable for analysts working on Soviet anti-submarine warfare and other naval topics. The agreement, which is the result of recommendations made by the Scientific and Technical Intelligence Committee, should also help reduce duplicate translations. [REDACTED]
